

10 B&Bs You Won't Believe Are Under \$200 Field Guide

This brand-new property has all the style and amenities of an inn twice its price. Field Guide, a boutique B&B that opened in October 2015, is an ultra-fashionable inn in Vermont's lush Green Mountains. Feast your eyes on Instagram-worthy guestrooms and common areas created by interior designer Rachel Reider. And enjoy contemporary amenities such as iPads and Apple TV in all rooms, a heated pool and hot tub, Lather bath products, and 24-hour front desk service. Nightly rates start at \$139.
