June 2016

Bottled bliss

Even if you can't get to the spa. you can still immerse vourself in its soothing suds and scents. Canvon Ranch, the pioneer of transformational health and spa resorts, has developed a bath and body line, pairing healing botanicals with a certain ie ne sais quoi spa smell: part lemongrass, part sage, part magic. Close your eyes and breathe deeplyit's so evocative, you can almost feel the terry cloth robe on your skin.
