HOTELS WITH THE BEST BATHROOM LOOT

These spots stock their bathrooms with such nice stuff, you won't even need to whip out your toiletry bag

CANYON RANCH HOTELS

Canyon Ranch is already an obvious choice for the beauty-obsessed, since most locations focus on luxury spa treatments. Now there's another reason to book: The LATHER Bamboo Crème line (including hair wash, conditioning rinse, body wash, and crème moisturizer) is in the rooms at all locations. The products have bamboo extract and other moisturizing ingredients like jojoba, avocado, and aloe vera -- and they smell like a spa in a bottle.
